# Aluminum Series Cold Water Pressure Washer

*Gas Powered / Direct Drive Pump / Portable*

**S**hark's Aluminum Series cold water pressure washers are the most user-friendly machines on the market. The innovative frame shape, lightweight design, and ideal weight distribution make them incredibly easy to push or pull. The adjustable handle provides ergonomic handling and space saving storage and transport - fold the handle forward and these machines fit under most shelving and inside the trunk of a car. All models feature a weldless aluminum frame of 1 1/4" tubing, providing extreme durability and corrosion resistance in some of the harshest environments. On-board hose and gun/wand hangers are standard for convenience, and all models are ETL certified.

**Rugged, weldless aluminum frame** offers durability and protects against corrosion

**Adjustable handle with rotary joints** allows ergonomic handling and space saving storage and transport

Powered by  
**HONDA**  
ENGINES

DGA-383537  
3500 PSI

**Professional-duty trigger gun and spray wand** with adjustable side grip

**On-board hose and gun/wand hangers** for convenience

**7 YEAR PUMP LIMITED WARRANTY**  
**Durable, triplex, oil-bath, high-pressure pump with U-Seal Technology**, featuring three ceramic pistons and forged brass manifold, backed by an industry-leading warranty

**Optional easy-to-attach downstream detergent injector** with brass soap nozzle (order number 9.802-225.0)

**Four vibration isolators** mounted under the engine reduce vibration, wear and tear on components

**Easy Start Valve** and **Pump Saver Valve**

**Vibration-absorbing tubed pneumatic tires** for all-terrain maneuvering

Certified to UL-1776  
Safety Standards

**ISO 9001 REGISTERED** All Shark production plants are ISO 9001 certified

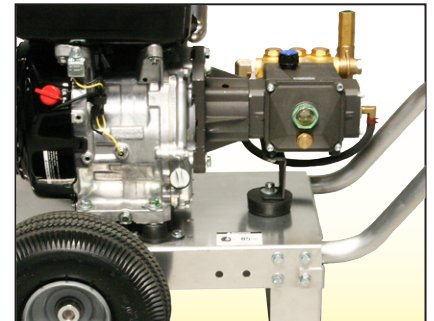

### EASY TO MANEUVER

Unique design and ideal weight distribution make these machines easy to push or pull even through mud, grass and gravel

### FOLDING HANDLE

Folding handle with cast aluminum rotary joints allows for easy storage and transport and ergonomic operation

### PUMP SUPPORT

Innovative pump support bracket reduces strain and extends the life of the engine shaft

## ALUMINUM SERIES **User-Friendly, Rugged**

*Unique design and weight distribution allows extreme maneuverability*

The Aluminum Series was designed with the customer in mind. Unique design makes these units easy to push or pull through difficult terrain without "ankle banging". The folding handle accommodates all users for ergonomic and fatigue-free operation. Convenient hose and wand hangers make it easy to move the machines with all components on board.

## DETERGENTS **Fast-cleaning, commercial-grade**

*Custom formulated especially for pressure washers*

Shark's biodegradable detergents are highly concentrated to deliver an extra-fast and economical dimension to your cleaning effectiveness. Engineered specifically for use with hot and cold water pressure washers, Shark detergents are available in a variety of formulas and sizes to suit your cleaning needs and budget.

## CYCLONE SURFACE CLEANER

*Attaches to a pressure washer to clean flat surfaces faster*

The optional Shark Cyclone attaches to a cold water pressure washer to clean flat surfaces as much as three times faster than with a wand. Featuring a self-lubricating rotary union, the spray bar whirls at a rate of up to 2000 RPM. It's lightweight with a polyethylene housing and has two pneumatic tires and a sealed swivel caster for easy maneuvering in tight places.

*More than 80 hot- and cold-water models!*

## BENEFITS

*Here are the Top 6 reasons Shark is America's #1 name in pressure washers*

Shark's broad line of pressure washers and accessories allow customers to reap the benefits of a one-stop shop for pressure washer supplies, such as:

**1. More than 40,000 different replacement parts** and accessories in stock or ready to order when you need them most;

**2. A huge selection** of more than 80 hot- and cold-water pressure washers;

**3. Competitive pricing** on hoses, guns, wands, nozzles, repair kits, and pressure washer components;

**4. Stainless steel coil wraps** that now come standard on nearly all of our hot-water pressure washers;

**5. A wide selection of detergents** formulated specifically for pressure washers, including the new portion packs that come in self-dissolving bags for easy storing and mixing;

**6. A handy and affordable Shark Parts Box** that puts the most often needed pressure washer parts at your fingertips.

## WHY SHARK

**Rental Tough**

Originating over 20 years ago, Shark pressure washers were developed to withstand the most demanding environment - the rental industry - where durability and reliability are tested to the max. Today, Shark's dominating reputation for ruggedness and safety, as well as the strongest warranty offering in the cleaning industry, is recognized by a broad array of cleaning professionals and commercial contractors.
