

Husqvarna FS 400 LV

Our robust FS 400 LV is a convenient all-round petrol push floor saw. The adjustable handle ensures an ergonomic working position. Perfect weight distribution gives excellent stability while sawing. Ideal for small road repair jobs in concrete or asphalt, up to 189 mm cutting depth.

Easy to transport

Compact saw that is easy to lift.

Adjustable handles

Provides a closer and more comfortable position to the cutting side for easier alignment and straighter cuts. Handle can also be folded for transport.

Easy to operate

Productive and robust with excellent weight distribution and stability.

Large integrated water tank

Quick connection for water hose to the blade guard. No tools required for dis-assembly.

FEATURES

- Productive and robust with excellent weight distribution and stability.
- Adjustable handles
- Compact saw that is easy to lift.
- Large integrated water tank
- Engine and blade shaft mounting system increases comfort and gives excellent cutting performance.
