

Mini Message Signs

Full-Matrix and Three-Line

The same high visibility and legibility as our full-size signs, but with smaller footprint

- Energy efficient with superior performance
- Choose matrix or three-line message display
- Full-color touchscreen controller
- Preprogrammed, custom and MUTCD graphics
- Easiest programming in the industry

Wanco® Mini Message Signs are 30% smaller than our full-size signs, making them highly maneuverable and easy to deploy.

Choose the sign that's right for your application. Wanco Mini Matrix Signs feature a full matrix of highly legible, ultra-bright LEDs to display graphics, text or a combination of both. Wanco Mini Three-Line Signs are designed for text messages of up to eight characters per line. For optimal positioning, the display cabinet rotates independent of the trailer. Raise and lower the sign with the standard hand-operated winch or optional hydraulic lift.

All signs feature Wanco's capacitive touchscreen interface for the easiest programming in the industry. Large virtual buttons are easy to see and select. The touchscreen has nearly instantaneous response and an intuitive menu structure that makes easy work of choosing and setting new messages.

Options include the Wanco Traffic Data Classifier System, Modem Package with GPS, Fleet Manager, Asset Tracker and radar-based speed detection.

To see or order a Wanco Mini Message Sign, call **800.972.0755** or visit **wanco.com**.

- Lockable weathertight control box located on back of display cabinet
- No external wiring from controller to sign
- Safer programming at eye level
- Better traffic visibility
- Out of reach of the casual hacker
- Capacitive touchscreen controller features intuitive full-color interface with large virtual buttons
- Multi-level password protection prevents unauthorized access
- NTCIP compliant
